Comptd

Letter No. 91/22 dated 4th July 1898 from the Deputy Commissioner, Kolar District.
To the Secretary to the Government of Mysore
Revenue and General Departments.

Sir.

I have the honor to state that a personal inam comprising dry and wet lands, Survey Nos. 40 and 71 in the Kodur village, Malur Taluk, was in the enjoyment of one Papabhat and was purchased from his son in 1882 for Rupees 150/- by Avadhut Nagappa for the benefit of the Anjaneya's temple in Tirupati in the said Taluk, vide sale deed (marked A in the file).

2. The restoration of the Lakkur Tank by the Department of Public Works brought about the submersion of the larger portion of the wet land, viz 17 guntas assessed at Rupees 2-4-0. This extent was treated as "Kharab" after measurement by the Survey Department and the Akarband rectified accordingly, the remaining extent, viz 8 guntas being made into a separate number 69 and assessed at

Rs

Assessment.
4-1-8-0 } Quit rent:
3-8-0 } as-is
0-6-0

As per survey.
Dry Nos. 40 - 2-24 — A. Q.
wet - 71 - 0-25 — 3-8-0

As per village account.
Dry 1-67 } Basis
wet 0-37 } 3-7-11.

Rs 1-4-0 Nagappa the present Manager of the land is not disposed to retain this small bit left out of his wet land and wants land in exchange for the whole 2.5 guntas.

3. Whenever personal inams are taken up, it is usual to pay compensation therefor, but as the present case involves an endowment to a temple made from charitable motives, it seems desirable to grant in exchange similar land elsewhere. The land selected for the purpose is Government assessed waste Survey No. 78 measuring 22 guntas. with an assessment of Rupees 3-8-0 in Bargur village, Malur Taluk, as detailed in the accompanying statement and the same is recommended to be granted subject to the "Khalsa" rules.

The Vernacular papers bearing on the subject are enclosed.

No 1193 dy 26-4-99

Enc 2 & 1 P.P.

To,

The Secretary to Govt,
Genl and Rev Deptt.

Sir,

I have the honor to acknowledge receipt of your docket No. 6793/R 3185 dated 30th March 1899, forwarding for my opinion, copy of the Kolar Dy Comm's letter No. 91/22 dated 4th July 1898, recommending the grant of Survey No. 78 assessed at Rs 3-8-0 in Bargur Village, Krishnagiri Taluk, in exchange for certain personal Inam land of the same value belonging to the Sri Anjaneyaswami temple at Tirupati in the same Taluk, portions of which have been sub-merged ~~during the restoration of the Lakkur Tank~~ in the course of the restoration of the Lakkur Tank and to state in reply that, considering that the income

income from the land is
utilized for the benefit
of the temple, I would
support the Deputy Comm's
recommendation to grant
to the temple the land now
selected by him instead of
paying a ~~Cooperi~~ money
compensation.

2 But from the records,
I find that one Nagappa
the founder of the aforesaid
temple wishes the land now
proposed to be given to be
registered in the name of
the temple as a Devadaya
Inam. This, I think, cannot
be done. The temple land, portions of which
~~that~~ have now been submerged
is only a Personal Inam
and it has been enfranchised
during the Inam Settlement
by the imposition of a
quit-rent of annas six.
The new land to be granted
in lieu of the above could

~~only~~

therefore be only on the same tenure, namely as a Personal Inam to the temple with a liability to pay an annual quit-rent of annas six and not as a Devadaya Inam free of tax as prayed for by Ragappa.

3. The Vernacular papers received with your docket under reply are herewith returned.

I have &c.

Proceedings of the Government of Mysore

OFFICE OF THE DEWAN PESHKAR
RECEIVED
Date 20-5-99
REG. No 648
MUZRAI BRANCH

Read:—

(1) Letter No. 91/22 dated [illegible] 1898 from the Deputy Commissioner, Kolar District, regarding the grant of fresh land in exchange for certain Personal Inamland rendered useless for cultivation in the Hodur village, Malur Taluk.

(2) Letter No. 1193 dated 26th April 1899, from the Muzrai Superintendent in Mysore.

Refer 41/20-5-99

Note 4 file as 20-5-99

Order thereon No. 8455-7 / R. 3739

Dated Bangalore 18th May 1899

The marginally noted land in the Hodur village, was a Personal Inam in the enjoyment of one Lakkur Papabhatta, subject to the payment of a quit-rent of 6 annas. In August-1882 one Avadhuta Nagappa purchased the Inam land for Rs 150 in the name of Anjeneyasawmi of the Tirupati village, Hoskote Taluk.

x 1-67 cents of dry land } assessed at Rs 3-4-11
0-31 of wet land }

Duriny

During the Survey Settlement in 1890-91, the land was formed into Survey No. 40 (dry) measuring 2-24 and assessed at Rs 4-8-0 and Survey No. 71 (wet) measuring 25 and assessed at Rs 3-8-0. The Kodi of the Lakkur tank having in 1892-93 been raised by the Public Works Department, 17 guntas of land out of Survey No. 71 became submerged and was treated as Kharab by the Survey Department and the rest of the number, viz, 8 guntas was formed into Survey No. 69 assessed at Rs 1-4-0. Nagappa proposes that this number may be resumed to Government and fresh land equivalent to 25 guntas granted to the temple and treated as Devadaya Inam.

2 The Deputy Commissioner states that generally compensation is paid for Personal Inams taken up for public purposes, but, as the present case involves an endowment made to a temple from charitable motives

it is desirable to grant in exchange of similar land elsewhere. He therefore proposes that Survey No. 78 (Government unoccupied), extent 22 guntas assessment Rs 3-8-0 of the Bargur village in the same taluk, may be granted in exchange for Survey No. 71 subject to the Kaloat Rules.

3. The Muzrai Superintendent who was consulted in the matter, is of opinion that considering the fact that the income from the land is utilized for the benefit of the temple, the land selected by the Deputy Commissioner may be granted to the temple as Personal Inam subject to the payment of the usual quit-rent, and not as Davadaya Inam free of tax as prayed for by Nagappa.

4. Under these circumstances the exchange proposed is sanctioned subject to the payment of the usual quit-rent, the new land (Survey No. 78) being treated as a Personal

Inam

Inam. Survey No. 69 measuring 8 guntas will be treated as Government-assessed waste land.
